

**NEEDHAM B. BROUGHTON HIGH SCHOOL ALUMNI ASSOCIATION**  
**SCHOLARSHIP APPLICATION 2021**

The Broughton Alumni Association awards two scholarships to deserving graduating seniors:

- 1) **The Broughton Alumni Scholarship** is a grant of \$3,000 per year for four years during which the recipient is enrolled at an accredited secondary school, college, university, or other institution of higher learning. The grant for each year is dependent upon verification of enrollment for the fall semester to the Scholarship Committee.
- 2) **The Mial Williamson Award** is a one-time grant of \$4,000 to a deserving graduating senior who embodies the spirit and character of Mial Williamson, a member of the class of 1949. During Mial's years at Broughton, he served the school energetically. Among other activities, he was President of the Student Council and co-captain of the basketball team.

The intention of these scholarships is to reward the attempts of a graduating senior to achieve the school's motto of *Approve ye that which is excellent*. The Committee will consider three qualifications for the award in the following order of importance:

1. *Service to Broughton* - The applicant's record of involvement in extracurricular activities and athletics, especially those which exhibit leadership and increase Broughton's reputation for excellence.
2. *Character & Citizenship* - The level of involvement in community activities, especially those revealing the applicant's character and awareness of his/her fellow man. After-school employment is considered in this category.
3. *Scholarship* - The applicant's scholastic ability as evidenced by his/her (i) grade point average, (ii) class rank, and (iii) performance on the SAT and/or ACT.

*Only Broughton students with outstanding records of extracurricular activities and service will receive this award. Historically, the recipients, through service, character, and academics, have been superior citizens of the Broughton student body.*
